

## Mini CXA HD Punch

Cree, Inc.

Designers: David Cox and Paul Scheidt, LC

Mini Track - Cree's CXA1310 High Density LED Array delivers 100W PAR38 performance in MR11 size! The track head emits a beautiful beam, has good CRI, and universal input voltage (low voltage version coming soon). See the effect of the light not the light fixture.

### Judges' Remarks:

*This attractive light provides quality performance and beam smoothness for its small size*

*A track lighting update that utilizes LED well*
